Dear Sir,

With profound gratitude I acknowledge the receipt of the financial assistance that was granted from K Chittilappilly Foundation. Now I am undergoing the dialysis twice in a week that is on Monday and Thursday. Probably the transplantation would be done on the 8th of August. But at the same time I am looking forward with much anxiety the amount that my family has to pay at the hospital on the date. On another way I am finding my consolation on the foundations like K Chittilappilly Foundation. By the grace of God all persons that I have approached have put forward their generous hand as you did. I hereby with gratitude say that this is the biggest amount that I have received yet. So thank you very much sir. Keep me always in your prayers, that the Almighty may protect my life for the well being of my children and family.

Thanking You,

Yours faithfully,

Mrs. Arumuga Selvi
